

Capitala

A one-stop financing solution providing private credit and private equity capital to small businesses //

ABOUT US //

Capitala Group is a leading private markets investment firm that has been investing private credit and private equity capital to lower middle-market businesses throughout North America for over twenty-five years. Since our inception in 1998, Capitala has invested and managed over \$3.2 billion¹, utilizing our flexible capital mandate to deliver creative financing solutions. We aim to partner with strong management teams to create value and support growth through strategic partnerships, operational expertise, and a shared vision for success.

STRATEGY //

Capitala works with management teams, business owners, funded financial sponsors and independent sponsors to individually tailor private credit and private equity capital to support the needs of lower middle-market businesses. We have seasoned professionals with real operational experience in a variety of industries that can assist with implementing key strategies for ongoing growth and success.
